COMMUNITY ARCHITECTS PROGRAM

Empowering Nonprofits,
Enriching Communities

At the Gila Community Foundation, we believe that strong nonprofits are the backbone of our community. Our **Community Architects** program invites you to build a brighter future for Southwest New Mexico.

WHY BECOME A COMMUNITY ARCHITECT?

COMMUNITY ARCHITECT BENEFITS

WAYS YOUR GIFT MAKES A DIFFERENCE

Mission of Support

Community Architects provides funding for Gila Community Foundation to aid nonprofits in Grant, Hidalgo, Luna, and Catron Counties. We support essential services like assisting families in need and nurturing youth potential, preserving our natural environment and strengthening communities across Southwest New Mexico. As a Community Architect, you become a pillar of support for these nonprofits, enabling them to make a lasting impact.

Your Role in Creating Change

By contributing an annual gift of \$500 or more, you help cover the operational costs that allow us to provide guidance and resources to local nonprofits at minimal or low cost. Make a lasting impact.

Direct Benefits

Your donation funds:

- Ongoing operational support for expanding nonprofit community services.
- Low-cost administration, making resources accessible for local nonprofits.
- Development of annual grants, amplifying nonprofit work and impact.

Legacy of Giving

Become a Community Architect Cornerstone Member through planned giving, ensuring your legacy supports nonprofits across Silver City and Southwest New Mexico for generations to come.

Essential Non-profit Services

Your contribution supports the Gila Community Foundation's Pathways to Progress initiative, which includes:

- Grant writing workshops and strategic planning sessions.
- Nonprofit leader luncheons and quarterly workshops.
- Resources for nonprofits to thrive, from financial management to leadership development.

Impact Areas we Support:

With your help, we strengthen initiatives in:

- Arts & Culture
- Community Diversity, Health & Wellbeing
- Education & Youth Engagement
- Land & Nature
